This Breeding Agreement is subject to the following conditions:

- Payment of Fees:** Stud Fee, mare care and any other expenses (shoeing, vet, etc.) to be paid in full when mare is picked up from IRONWORKS WALKERS. (Make check payable to IRONWORKS WALKERS.) Stud fees paid and not used are not refundable and may not be applied to other expenses. Normal collection days are every other day, Monday through Thursday. Your request for semen needs to be telephoned the day before to assure next day shipment.

The Shipping container (Equitainer) will be furnished by Bay City Equine Hospital, Texas City, TX. All shipping charges, veterinary charges and stud fee will be paid by the mare owner and must be paid prior to the shipment of semen. The mare owner agrees to return the Equitainer to:

no later than two days after receipt of semen by Next Day Delivery. If the Equitainer is not returned promptly, there will be no further shipment of semen to that mare owner. Failure to return the Equitainer within 10 days will result in a \$100 penalty plus the cost of replacing the container (approximately \$400.)

Each shipment will contain ONE or TWO insemination doses at the discretion of the stallion manager.

IRONWORKS WALKERS only assumes responsibility to ship semen in a viable condition at the time of delivery to the mare owner's farm or other designated location. IRONWORKS WALKERS assumes no responsibility for the loss of semen viability or associated expenses due to any delay in shipment, delay in airline schedules, or delay in courier services beyond our control. The semen must be administered by a licensed veterinarian or an authorized technician on the day of delivery or all live foal guarantees and return privileges shall be null and void.

**Live Foal

There will be no additional breeding fee for a rebreed, but all other veterinary fees, board fees and transported semen fees shall apply. Failure to notify IRONWORKS WALKERS in a timely manner shall result in the loss of the live foal guarantee and return privileges. This clause is also binding in the case of an abortion. The mare owner fully understands, authorizes, and assumes the special risk inherent in breeding with the use of transported semen or live cover of the mare. Mare Owner also understands the risk of failure due to many variables and shall hold IRONWORKS WALKERS and the stallion owner harmless for any losses suffered due to an unsuccessful attempt at conception. Alton D. or Deborah E. Stroud, any other person associated with Walkers West shall not be liable for the death, sickness and/or accident, including consequential damages caused to the mare and/or foal, and mare owner agrees to hold Alton D. or Deborah E. IRONWORKS WALKERS and all associates therewith shall be released from this agreement, thereby making it null and void. Stud fees are not refundable other than for reasons stated above.

This agreement constitutes and represents the entire agreement between the parties.
